FISHER & PAYKEL

10KG SERIES 7
MINIMAL HEAT PUMP DRYER

93317-A DH1060YZB5

SPARE PART GUIDE

AA

INTRODUCTION

Voltage

220 –240 50Hz

Kit parts

Where a part number is shown against the descriptions for kit components, they are also available as separate items. In addition, some parts may be supplied with these kits that are not available as separate items, and are therefore either not listed, or a part number is not shown against the part description in this guide.

Part list key

You may see one or more 'keys' in the first column of the part list tables, see below for explanations:

NI	Indicates the part is not illustrated in the diagram.
NOT USED	Indicates the diagram part is not used in this manual.
NS	Indicates the part is not servicable.
NM	Not available for this model.
